Colombia Kachalu Organic

100 % arabica - single estate.
Kachalu; 'hope' has received
several honorable rewards
for best rainforest coffee.

Due to the direct trade there is
30-50% more revenue for the farmer.
This is how we contribute to a better
existence for the Colombian
coffee farmers.

Coffee for peace

Coffee for peace strives to a structural
improvement of the quality of
Colombian coffee. Because of this,
the coffee farmers can realise a better
price and hope for a better existence is
being transferred in perspective. The
coffee farmers have a good leverage to
keep choosing planting and maintaining
coffee plants en not to involved in
the temptation of the coca mafia.
